General Practitioner / Family Medicine Specialist

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking an experienced General Practitioner / Family Medicine Specialist to join a new primary care medical practice in Ireland.

The successful candidate will work alongside an experienced Clinical Lead and will have the opportunity to

become part of a growing practice offering both private and public primary care services.

We are particularly interested in EU-qualified doctors who are considering relocating to Ireland for a long-term position.

Candidate Requirements

Completed recognised vocational training in General Practice / Family Medicine within the EU

Hold a recognised specialist qualification in Family Medicine / General Practice

Ideally 3 to 5 or more years of GP experience

Experience working independently in general practice

Strong spoken and written English

Good communication and teamwork skills

Eligible for registration with the Irish Medical Council Specialist Division in General Practice

Willing to relocate to Ireland on a long-term basis

Key Responsibilities

General GP consultations

Chronic disease management

Preventative care

Routine primary care services

Referrals and follow-up care

Participation in practice development

Working with nursing and administrative staff

Supporting the growth of both private and GMS patient services
