Access Control Compliance Officer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

JMG (EHS) SOLUTIONS LIMITED, located at 11 Ardbanager, Glaslough, Co Monaghan, H18 NW89, is looking to hire an Access Control Compliance Officer to join the team. Access Control Compliance Officer is responsible for ensuring that all access control compliance/governance processes, security procedures, and governance activities across the organisation comply with applicable legislation, customer contractual requirements, internal policies, and recognised regulatory and industry standards.

Key Responsibilities

Manage and oversee access control compliance/governance processes across multiple data centre facilities.

Ensure that all employee, contractor, visitor, and third-party access complies with company policies, customer contractual requirements, and security procedures.

Develop, review, implement, and maintain access control compliance/governance policies, procedures, and governance documentation.

Conduct regular compliance reviews of access permissions, authorisations, and supporting records.

Perform compliance monitoring activities and identify areas requiring corrective or preventive action.

Carry out operational risk assessments relating to access control compliance/governance and security governance.

Investigate access-related incidents, policy breaches, and security non-conformities, preparing detailed reports and recommending corrective actions.

Maintain compliance with ISO 27001, GDPR, SOC 1, SOC 2, PCI-DSS, customer security requirements, and other applicable regulatory frameworks.

Support internal, external, customer, and third-party audits by preparing documentation, compliance evidence, reports, and audit records.

Analyse compliance data, audit findings, and operational trends to identify risks and opportunities for continuous improvement.

Produce management reports, compliance dashboards, risk registers, and performance metrics for

senior management.

Work collaboratively with HR, Legal, Information Security, Facilities, Operations, and customer representatives to ensure effective compliance and governance.

Maintain accurate compliance records and documentation in accordance with regulatory and contractual requirements.

Support business continuity, operational resilience, and corporate risk management initiatives.

Promote security awareness, regulatory compliance, and best practice across operational teams.

Identify opportunities to improve compliance processes, governance controls, and operational efficiency.

Requirements

Third-level qualification or equivalent relevant experience in compliance, risk management or security governance.

NEBOSH General Certificate or equivalent desirable.

Good understanding of policies, procedures and regulatory requirements.

Good organisational skills and attention to detail.

Good analytical and problem-solving skills.

Salary: 36.605 per year

Hours of work: 39h per week
