CNC Machinist

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

CNC Machinist required to work at Tremora Ltd, trading as ECO Timber Systems, located at Unit 16, Carrigaline Industrial Estate, Carrigaline, Co. Cork, P43 YY24.

Must have at least 2 years' experience in a similar role. Duties are:

1. Setting up, operating and monitoring CNC machinery to produce components to engineering drawings and specifications;
2. Preparing and loading raw materials into CNC machines;
3. Reading and interpreting technical drawings, plans and machining specifications;
4. Editing CNC programmes for minor adjustments where required;
5. Machining components to a high level of precision and tolerance;
6. Carrying out quality inspections using measuring and inspection equipment and recording results in accordance with company procedures;
7. Troubleshooting machining issues and making adjustments to maintain production quality;
8. Performing routine preventative maintenance and reporting equipment faults or defects promptly;
9. Finishing, labelling and preparing completed parts for the next stage of production;
10. Ensuring all work is carried out in accordance with health and safety standards and company procedures.

Salary: €37,544 per annum.

Hours: 40 per week.
