Health Care Assistant

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Patients require assistance in some or all activities of daily living. It is the duty of the nurse to assess, plan, implement and evaluate the care required by the patient. The primary role of the Health Care Assistant (HCA) is to assist the nurse in the implementation of the care plan as determined by the registered nurse. Duties assigned to the Health Care Assistant will vary depending on the care setting

The role involves collaborating with the nursing staff, in assisting patients with the activities of daily living, and collaborating with all members of ward staff in creating an efficient, safe and friendly environment for care delivery.

- **Sector:** human health and social work activities
