Job Description

Aureol Global Connections is hiring for Plumbers on behalf of Chemtek Engineering Limited, Quignashee, Ballina, Co. Mayo F26 N634. The ideal candidate will have experience in the following areas: industrial and commercial plumbing, including the installation, fabrication, and maintenance of industrial pipework systems. The role involves the installation of copper, gunbarrel, PVC, and plastic pipework, reading and interpreting technical drawings and specifications, and carrying out pressure testing and commissioning of completed systems. Candidates should be capable of working on a range of industrial and commercial projects, ensuring all installations are completed to the required standards while adhering to site health and safety procedures. Experience working independently and as part of a team to meet project deadlines is essential, along with a recognised plumbing qualification and practical knowledge of industrial piping systems and associated fittings. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€41,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
