O' Gríofa Woodcraft Ltd – Doonbeg, Co. Clare

We are looking for an experienced Lead Carpenter / Working Team Leader to join our busy joinery manufacturing team in West Clare.

This is a hands-on position for an experienced carpenter who will work alongside the production team while taking responsibility for leading and coordinating work on the factory floor.

The Role

The successful candidate will be involved in the manufacture and preparation of:

Internal door sets

Skirting and architrave

General made to measure joinery products

As Lead Carpenter, you will work as part of the team while also helping to organise daily workloads, maintain production standards and ensure work is completed accurately and efficiently.

Key Responsibilities

Carry out hands-on carpentry and joinery work

Lead and support other carpenters and production staff

Allocate and coordinate daily work

Read and work from drawings, measurements and job specifications

Ensure products are manufactured to the required dimensions and quality

Oversee the preparation and assembly of internal door sets, skirting, architrave and stairs

Identify and resolve production or quality issues

Maintain high standards of workmanship and attention to detail

Help ensure jobs are completed within production deadlines

Promote a safe, organised and productive workshop

What We're Looking For

Qualified or highly experienced carpenter/joiner

Strong experience in internal joinery

Excellent knowledge of doors, skirting and architrave

Ability to read drawings and work accurately from measurements

Previous experience leading or supervising a team is an advantage

Strong organisational and problem-solving skills

High standard of workmanship

Reliable, practical and willing to work hands-on with the team

This is an excellent opportunity for an experienced carpenter looking to take on a lead role while remaining hands-on in the workshop.
