Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Analyse large volumes of property, financial and operational data to identify trends, patterns and areas requiring management attention.

Collect and consolidate data from property management, accounting, rental, maintenance and other business systems for detailed analysis.

Use data-mining techniques to identify patterns in rental income, occupancy, operating costs and property performance.

Develop statistical and mathematical models to forecast rental income, expenses, occupancy and overall business performance.

Build data models to evaluate property performance and identify factors affecting revenue and operating costs.

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

Career Level

- Experienced [Non-Managerial]
