Electrician: Second to Forth Year Apprentice - Apprenticeship

Job Description

JC Group based in North Kildare, are hiring 2nd Year to Forth Year Apprentice Electricians & signed up apprentices to join our growing team. This is a fully paid, accredited 4-year apprenticeship - earn while you learn and qualify as a registered electrician.

Most of our sites are based in and around Meath, Kildare, Westmeath, Offaly & Dublin. You'll be trained on residential, commercial and industrial projects. Several of our current crew leads started exactly where you would. Our team spread from Kildare, Meath & offaly travelling to our sites daily.

What we're looking for:

- A keen interest in construction and how live sites operate
- Willingness to learn, take instruction and follow site health & safety procedures
- Ability to work on your own initiative and as part of a team
- Reliable, motivated and committed to high-quality work
- Experience on a construction site is an advantage but not essential
- Safe Pass and Manual Handling cert, Working at height cert
- A full or provisional driving licence is an advantage
- Expierence in Solar PV an advantage

What we offer:

- Fully paid 4-year apprenticeship (rates in line with SOLAS apprenticeship guidelines)
- Real career progression within an established, respected company
- Hands-on training across commercial, industrial, residential, & Solar PV Installations

About us:

JC Group are a well-established and respected electrical contractor with 20 years of experience and over 1600 jobs delivered, in addition to some of Leinsters most prestigious and reputable commercial and industrial projects.

Job type: Apprenticeship, Full-time

Schedule: 8-hour shift, Monday to Friday, with overtime and occasional weekend availability

Start date: Sept-Oct 2026

Application deadline: 30-September-2026

To apply: Send your CV to info@jcgroup.ie

Job Types: Full-time, Apprenticeship

Language:

- English (preferred)

Work authorisation:

- Ireland (preferred)

Work Location: In person
