Electrician Qualified

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

JC Group based in North Kildare, are hiring qualified Electricians to join our growing team.

Most of our sites are based in and around Meath, Kildare, Westmeath, Offaly & Dublin. You'll be trained on residential, commercial and industrial projects. Several of our current crew leads started exactly where you would. Our team spread from Kildare, Meath & offaly travelling to our sites daily.

What we're looking for:

- A keen interest in construction and how live sites operate
- Willingness to learn, take instruction and follow site health & safety procedures
- Ability to work on your own initiative and as part of a team
- Reliable, motivated and committed to high-quality work
- Experience on a construction site is an advantage but not essential
- Safe Pass and Manual Handling cert, Working at height cert
- A full or provisional driving licence is an advantage
- Expierence in Solar PV an advantage
- Career advancement

What we offer:

- Full rate depending on knoledge & Expierence
- Real career progression within an established, respected company
- Hands-on training across commercial, industrial, residential, & Solar PV Installations
- Company vehicle option
- Company Phone option

About us:

JC Group are a well-established and respected electrical contractor with 20 years of experience and over 1600 jobs delivered, in addition to some of Leinsters most prestigious and reputable commercial and industrial projects.
