Job Description

We are seeking individuals who are caring, self-motivated and good at building relationships to work with our growing team in a professional and progressive environment (working in line with HSE guidelines).

The overall purpose of the role is to care for and maintain people in their own home. The Health Care Assistant provides assistance, support and direct personal care required to help with maintaining the independence and wellbeing of the service user.

To attend to service user primarily in their own home.

To carry out a range of care tasks as indicated on the service users Care Plan and as directed by your Line Manager.

These tasks include Personal Care, light household duties and social care as follows:

Personal Care Tasks include but are not limited to bathing, toileting, incontinence pad changing, washing, dressing and feeding.

Practical light household care tasks include but are not limited to making meals, clean kitchen tops, hovering, tidying, fire lighting.

Social Care tasks include but are not limited to conversation, companionship, support with home exercise programme and other activities identified on the care plan.

To prompt / assist service users to take their medications.

To be aware of the changing needs of a service user and to report these to your Line Manager.

To provide relief for a carer/colleague as required.

To maintain written records of service users visited as required by the Company, including the Service User Diary and the companies One Touch IT Health Recording System.

To participate in formal and informal individual, team and group supervision, as required.

To attend and participate in individual, team and company training and meetings, as required.

To comply with all aspects of the Company's Health and Safety Policies and procedures, to ensure

that all safety equipment provided (e.g. hoists, slings, etc.) are used correctly and in a safe manner; and to report immediately any Health and Safety risks in the service users home to your Line manager.

To provide a consistently high standard of professional care to service users of NHCS. To ensure that the rights of service users are protected in your dealings with them.

To be caring and responsible in dealing with service users and their families.

To carry out duties in accordance with the values, ethos and mission of the NHCS.

To comply with company policies and procedures as are laid out in the Employee Handbook and in the Clinical Practice File on the One Touch IT System available on the One Touch IT System available on your company phone.

We are interested in people who are:

Flexible. Good at building relationships. Genuine interest in caring. Great at managing their time.

Good communicators (Oral & Written). Previous Healthcare experience. QQI Level 5 Healthcare Support. Transport if you do not live in the local area. Garda Vetting will be required. Two references/referees.
