In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

2+ years' experience in a similar Design Engineering role.

Strong experience in mechanical design and engineering principles.

Experience with Creo and/or SolidWorks is desirable.

AutoCAD experience would be an advantage.

Strong understanding of manufacturing and engineering processes.

Excellent written and verbal communication skills.

Strong interpersonal and collaborative skills, with the ability to work effectively across multiple teams.

A self-starter who can work independently and take ownership of projects while also contributing effectively as part of a wider team.

Ability to manage multiple projects and work effectively to tight deadlines.

Strong analytical, problem-solving and critical-thinking skills.

A practical, detail-oriented approach to engineering design.

- **Sector:** manufacturing
