## HGV Mechanics required for Kilkenny Limestone Quarries

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Kilkenny Limestone is currently recruiting for a Heavy Diesel Mechanic to work across our three sites at Kellymount, Paulstown, Co. Kilkenny, Holdensrath, Co. Kilkenny and Old Leighlin, Co. Carlow in the Republic of Ireland.

#### Responsibilities:

- \* Work with flexibility within the Maintenance Department and in co-operation with other teams, departments and sites.
  - \* Working on all mobile and fixed plant on site, including Caterpillar, Volvo, Komatsu, JCB and Tamrock.
  - \* Promote maintenance best practices at all times within a continuous improvement environment.
  - \* Carry out planned/unplanned maintenance on production machinery.
  - \* Completion of non-trade specific work as required.
  - \* Daily reporting of maintenance activities ensuring issues and open items / concerns are communicated in a timely and concise manner.
  - \* Participate in Safety and Environmental training programs and initiatives.
- Adhere to safe working practices as set out by the Safety Statement and other company safety rules.
- \* Maintaining compliance with site procedures and policies.

#### REQUIREMENTS:

- \* Diesel Mechanic experience with hydraulic and pump experience essential.
- \* Welding experience desirable.
- \* Strong fault finding / problem solving skills essential.
- \* Good reporting and communication skills essential.
- \* Excellent attention to detail and accuracy.
- \* Be flexible in respect of shift changes and to participate in the maintenance procedure as

required.

- \* Responds positively to changing circumstances and priorities.

- \* Strong team player.

- \* High level of organisational and multi-tasking skills.

Salary range is €36605 - €44000 per annum working a 39 hour week.
