Maintenance Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Responsible for 4 x properties in the Dublin 7 Area

40 hours per week

€42,230.00

Yugo is the first truly global student housing management company enabling students to 'Live their best life'! Yugo acts responsibly toward the planet and responds to the needs of its diverse spaces, creating a safe, comfortable, and open environment for students and team to thrive.

We are currently on the lookout for an experienced Maintenance Manager to join the team supporting our purpose-built student spaces situated in Dublin.

It's a big job! But you will be part of an awesome team, who will support you to ensure we are consistent in the service we provide to our students.

Here's what you'll do:

Lead the maintenance team to ensure exceptional cleanliness of all communal areas and external grounds.

Fulfill both planned and reactive maintenance requirements in line with any service level agreements, carrying out first line maintenance.

Support the City Manager with regulatory and compliance issues, ensuring all routine testing are carried out and records are maintained.

Ensure implementation of the pre-determined PPM regime and cost-effectively resolve all site level repair issues.

Ensure regular inspections are conducted and arrangements are in place for security, fire, and safety.

Provide support and trainings for residence teams and lead the technicians and housekeeping team.

Conduct regular walk throughs of our spaces to respond to any issues as they arise.

Along with the day to day activities within your role, you will also be required to manage your health and safety responsibilities as set out in Section 7 of the Health and Safety at Work Etc. Act 1974, where it states that you have a duty to take care of yourself and those around you, by your acts or omissions and to cooperate with your employer on health and safety matters.

Requirements

Here's what you'll need:

Previous experience within a facilities or maintenance role.

Previous experience in a people management capacity.

Great teamworking and customer service skills.

Ability to be proactive with strong problem-solving skills and initiative.

Highly organized and passionate about delivering exceptional service quality.

Benefits

And the benefits? Well apart from working with an amazing team of people you will also receive:

Competitive salary with annual discretionary bonus

5 weeks' annual leave

Additional 'YuDay' which is a paid day off every year to spend as you wish to support your wellness journey

Subsidised Health care & employee assistant program

Cycle to work scheme.

Social events and more!

So, if you are currently looking to get stuck into an exciting new opportunity where no two days are the same, we would love to hear from you. Click apply now! We can't wait to meet you.
