Construction Plant Fitter - Apprenticeship

Job Description

First Year Apprentice Vacancy

Are you interested in mechanical repairs and looking to start a career in a skilled trade?

Comeragh Machinery & Auto Repairs is looking for an enthusiastic Apprentice Mechanic to join our team and complete the recognised SOLAS Construction Plant Fitting Apprenticeship.

The Role

You'll receive hands-on training while learning to:

- * Service, maintain and repair forklifts and material handling equipment
- * Carry out servicing and repairs on cars and light commercial vehicles
- * Diagnose mechanical, electrical and hydraulic faults
- * Carry out routine inspections and preventative maintenance
- * Use modern workshop tools and diagnostic equipment
- * Work safely and to a high standard

Who We're Looking For

- * We're looking for someone who is practical, reliable and keen to learn.
- * An interest in cars, machinery or mechanics is important, but previous experience isn't essential.
- * Applicants must meet the relevant SOLAS apprenticeship entry requirements.
- * Applicant must hold either a full drivers licence or learners permit
- * Commitment to a 4-year programme that involves both on and off-the-job training which will require travel to designated Solas Centres

What We Offer

- * Paid apprenticeship with pay progression upon successful completion of each Solas phase
- * Hands-on training with experienced technicians
- * Experience across a wide range of vehicles e.g. forklifts, cars, commercial vehicles etc.
- * Training, mentoring and career development
- * Opportunity for a long-term position once qualified

Interested?

Send your CV and a few lines telling us about your mechanical interest/experience to
