Garment Printer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Fashionflo Limited is seeking a Garment Printer

Main duties:

- Set up and operate industrial garment-printing equipment, including sublimation printing machinery.
- Prepare garments, printing materials and equipment according to customer orders and production specifications.
- Review artwork and adjust machine settings according to the design, fabric and printing requirements.
- Monitor each print run and correct alignment, colour or other printing issues.
- Carry out quality checks to ensure that finished garments meet customer specifications.
- Perform routine cleaning and basic maintenance of printing equipment and maintain production records.

Requirements: A minimum of two years' relevant experience operating industrial printing equipment, preferably in garment, textile or sublimation printing.

The successful candidate must have at least two years' relevant experience operating industrial printing equipment, preferably in garment, textile or sublimation printing, together with practical experience in machine setup, print quality control, and identifying and correcting printing defects.

Contract: 24-month fixed-term contract

39 hours per week

Annual salary: €36,605
