Site Engineer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Site Engineers on behalf of Rubble Recycling Limited, Killarney Road, Castleisland, Co Kerry, V92KD29. The successful candidate will be responsible for overseeing and coordinating engineering aspects of construction projects, including setting out, ensuring work is carried out in accordance with drawings and specifications, maintaining quality standards, and supporting the site management team to deliver projects safely and efficiently. Applicants should have relevant engineering qualifications, technical knowledge, excellent problem-solving skills, and the ability to work effectively both independently and as part of a team. This is a full time position, 39 hours per week and an annual salary range of €45000 - €55000. Interested applicants apply here: info@aureolglobalconnections.com
