Job Description

Aureol Global Connections is hiring for Process Technicians on behalf of Kel-Tech Engineering (Waterford) Limited of Unit 37-38, Waterford Industrial Park, Cork Road, Co Waterford X91 XYN5. The ideal candidate will have experience in the following areas: monitoring and optimising manufacturing or production processes to ensure efficiency, quality, and safety standards are consistently achieved. They will be responsible for operating and maintaining process equipment, troubleshooting process issues, analysing performance data, and implementing process improvements to enhance productivity and reduce downtime. The role involves conducting routine inspections, recording operational data, ensuring compliance with quality procedures and health and safety regulations, and supporting continuous improvement initiatives. Good problem-solving skills, attention to detail, and experience working within a manufacturing, pharmaceutical, chemical, food production, or industrial processing environment are highly desirable. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€46,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
