Quality Assurance Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The role involves inspecting completed vehicle maintenance and repair work, identifying defects and non-conformities, preparing inspection records, monitoring workshop quality procedures and recommending corrective measures. The employee will also support environmental procedures relating to used oils, fluids, filters, batteries, tyres and contaminated materials. Applicants must have a relevant qualification in Environmental Engineering, Quality Assurance, Engineering or a related area, together with suitable technical knowledge or experience.

Location of Employment: Stirling, Clonee, Co.Meath, D15HC6X

Salary: €36,605 per year for 39 hours per week, €18,05 per hour
