Computer Numerical Control Operatives

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Wilton Scrap Metals Limited, based in Co. Kildare, is currently seeking Computer Numerical Control Operatives for immediate start at their facility in Naas, Co. Kildare.

Qualifications:

A minimum of 3 years' CNC operation experience is required. There are no minimum academic requirements. A CNC or related certification is a plus but is not required.

General Duties / Responsibilities / Experience:

- To set up, maintain and control the computer numerical control machine in order to execute product orders
- To program the machines, ensuring the required parameters and measurements are met while maintaining the quality and safety standards
- Essential knowledge for the role includes manufacturing processes, quality standards and statistical process control
- Essential skills include the ability to consult technical resources, to ensure equipment availability and to monitor automated machines
- Candidates must be competent to operate precision measuring equipment, perform machine maintenance and perform test runs
- Candidates must be able to remove processed workpieces, set up the machine controller and supply the machine with appropriate tools
- Candidates must have experience in programming CNC controllers, reading standard blueprints and removing inadequate work pieces
- Candidates must have experience in using CAM software, troubleshooting and using automatic

programming

- Minimum of 3 years' of relevant experience as a CNC Operative in a previous role

Annual Remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: Wilton Scrap Metals Limited, Unit M1, Osberstown Business Park, Osberstown, Naas, Co. Kildare, W91 FXP7.

Number of hours work each week: 39

If you're interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
