In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Position Overview and Job Responsibilities

- Stay abreast of global tax regulations and ensure the Group's compliance with relevant laws and requirements.
- Monitor changes in tax legislation and assess their impact on Remote's tax position.
- Analyze DTAs and/or local tax laws and financial information to assess the tax implications of corporate restructurings and cross-border transactions on Remote's tax position.
- Assist in implementing international tax strategies that align with Remote's objectives.
- Conduct risk assessments for permanent establishment and other tax risks on a country-by-country basis for clients.
- Stay informed about global tax reforms and contribute to discussions on new laws or regulations impacting Remote.
- Actively engage in building relationships with external tax advisors, consultants, and industry peers.

Required Qualifications

- Collections professional with solid experience and proven performance, mainly consultancy environment
- Prior experience with international taxation and financial operations
- Experience with a global law firm, Fintech or start up company.
- Negotiation and influencing skills.
- Data driven communicator.
- Professional experience working with large data sets.
- Ability to handle multiple projects in a fast paced, hyper growth environment.
- Writes and speaks fluent English
- Demonstrates strong automation and AI capabilities and AI fluency.

It is not required to have experience working remotely, but is considered a plus.

For the avoidance of doubt, this role does not require registration as a qualified tax consultant in Ireland. Registration with the Irish Tax Institute is not required.
