Welder / Metal Fabricator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Position: Welder / Metal Fabricator

The Forge Mechanical Engineering Ltd, located at Walls Forge, Link Road, Chapelstown, County Carlow, R93H003, is looking for a full-time onsite Welder/Metal Fabricator to join the team.

We design, fabricate, and install steel and metal structures for bridges and pedestrian shelters. We partner with many bluechip companies and contractors to deliver projects on time and within budget.

Our work methods encourage collaboration among our teams, with some team members working with Walls Engineering for over 20 years. As a result of our obsession with quality and service, we continue to expand.

Job Description

Cut and join assemblies using appropriate welding equipment such as an electric arc, gas torch

Ability to read drawings and operate equipment

Assemble mechanical structures and parts with precision

-Weld to the highest standard

Repair metal structures of different sizes

Check and ensure conformity of fabrication with the specification

Maintain and repair all machinery

Requirements:

Candidates must have working experience in the Welding Trades.

Must be able to work on their own initiative and as part of a team.

Willing to join and contribute to a positive, dynamic team with a "can-do" mentality.

Job Type: Full-time

Fixed term 24 months.

Hours of work: Monday to Friday, 39 hours per week.

Pay: €36,605.00 per year

Location: On-site, The Forge Mechanical Engineering Ltd, Walls Forge, Link Road, Chapelstown,
County Carlow, R93H003, Ireland.
