MIG Welders / Fabricators

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

METALWORKS FABRICATION LIMITED, situated at Unit 7, Ossory Industrial Estate, East Wall, Dublin 3, D03 C972, Ireland, is currently seeking to employ four full-time on-site MIG Welders/Fabricators to become members of the team under an initial two-year contract.

The company specialises in the design, fabrication, and installation of high-quality metal structures. It is renowned for its commitment to excellence and timely project completion.

We invite you to join our accomplished team and contribute to our continued success. Please note four positions are available!

Job Description:

Perform precision MIG welding to assemble and repair metal structures.

Read and interpret blueprints to determine appropriate welding methods.

Set up and operate welding equipment efficiently.

Ensure all welding work meets the highest standards of quality and safety.

Maintain and repair welding machinery and equipment.

Requirements:

A team player with experience in MIG welding.

Ability to work independently and within a team environment.

Strong attention to detail and a commitment to quality craftsmanship.
