Job Description

This full-time, on-site Marketing Specialist role is based in Dublin. The Marketing Specialist will plan and execute marketing campaigns that promote Live Ark Exports' livestock offerings across international markets, aligning with the company's brand and ethical standards. Daily responsibilities include conducting market research, analyzing customer and regional trends, and supporting sales initiatives with targeted materials and presentations. The role involves coordinating with internal teams and external partners, managing digital and traditional marketing channels, and maintaining accurate documentation on campaigns and performance metrics. The Marketing Specialist will also assist with customer communication, trade show support, and the preparation of reports and insights to guide marketing strategy.
