Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Thermal Insulation Specialists Limited trading as TIS Ltd are seeking a full-time Electrician who will be required to work with a specialist contractor providing fire protection and fire compliance services throughout Ireland.

The role will involve the expansion of the companies current services to include an electrical service in relation to fire safety works. The employee will be responsible for installing, maintaining and repairing electrical wiring, equipment and control systems and carry out all related electrical works in association with the fire safety works.

Applicant must have a minimum of 3 years experience working in relevant area. Experience with electrical systems, wiring methods and fault-finding techniques and have an ability to interpret technical drawings and specifications.

Full driving licence preferred.

Relevant electrical qualification required.

Place of Work: Employee will be required to work on a number of locations throughout Ireland.

Salary: €52,930.80 p/a based on a 39 hour week.
