In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Vita Actives is excited to be expanding our team and is looking for - Production Operatives

Carrowteige, Co. Mayo, Ireland

We're a growing team of industry experts, dedicated to producing high-quality, powder blends, capsules, and tablets for our customers.

This is a hands-on production role. Previous experience in production, manufacturing, food or pharmaceutical environments is desirable but full training will be provided.

What You'll Do

- Operate powder blending, filling and packing equipment
- Operate capsule filling and tablet manufacturing machinery
- Prepare and blend powders to production specifications
- Weigh, fill, seal and label products
- Carry out routine quality checks and complete production records
- Follow production, quality, hygiene and safety procedures
- Clean and maintain equipment and work areas
- Handle raw materials and finished products
- Work as part of a team to meet production targets

About You

The successful candidate will be:

- Dependable, punctual and committed
- Safety-conscious with good attention to detail
- Able to follow procedures and instructions accurately
- Able to work effectively both individually and as part of a team
- The role involves regularly lifting and handling loads of up to 25 kg as part of normal production duties.

Available to work a two-shift-rotating cycle

To apply: Please apply through IrishJobs with your CV.

We are an equal opportunities employer and welcome applications from all candidates. Employment decisions are based on skills, suitability and the requirements of the role.

We look forward to hearing from you
