Electrical Maintenance Technicians

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Staunton Foods Limited, based in Co. Cork, is currently seeking Electrical Maintenance Technicians for immediate start at their facility in Timoleague, Co. Cork.

Qualifications:

There are no minimum academic requirements. Training will be provided on-the-job. A minimum of 2 years' previous experience as an Electrical Maintenance Technician or similar is required. No formal qualifications are required for this role.

General Duties / Responsibilities / Experience:

- To provide preventative and reactive electrical maintenance within a meat processing facility
- To work with electrical engineers and maintenance teams to perform technical tasks relating to the installation, testing, operation and repair of electrical systems and production equipment
- To assist in the design, maintenance and modification of electrical installations and circuitry according to operational and safety requirements
- To monitor the installation, utilisation, maintenance and repair of electrical systems and equipment to ensure satisfactory performance and compliance with food safety and health & safety regulations
- Essential knowledge for the role includes electrical systems, control panels, motors, sensors and electrical equipment components used in a manufacturing environment
- Candidates must have knowledge of electrical testing methods, electrical wiring diagrams and electricity principles

- Essential skills include fault finding, aligning electrical components, applying soldering techniques and adjusting engineering designs
- Candidates must be competent in ensuring material compliance, measuring electrical characteristics and performing test runs on machinery and equipment
- Candidates must have experience in recording maintenance and test data, testing electrical equipment and reading technical drawings and blueprints
- Previous experience providing electrical maintenance within a meat processing, food production or manufacturing environment is an advantage
- 2 years of previous relevant experience as an Electrical Maintenance Technician or similar role is required

Annual remuneration: €48,000.00; Pay rate €23.67 per hour

Work Locations: Staunton Foods Limited, Spittal Cross, Timoleague, Co. Cork, P72 PY90.

Number of hours work each week: 39

If you're interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
