Field Service Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job Description:

Join our growing Service Team

We are looking for a Field Service Technician to join our friendly and growing team.

This is a varied, hands-on role where you'll be travelling nationwide to install, service and repair machinery used within the recycling industry, including balers and compactors.

If you are practical, enjoy solving problems and take pride in doing a good job every time, we'd love to hear from you.

What you will be doing:

Servicing and repairing existing equipment

Installing and commissioning new and refurbished machinery nationwide

Diagnosing and resolving mechanical, electrical and hydraulic faults

Working as part of a team to resolve issues quickly and efficiently

Providing accurate daily service and job reports

Working with electronic and mechanical equipment

Providing a prompt, professional service to customers

Training machinery operators on the safe and correct use of equipment

What we are looking for:

Experience in a similar Field Service Technician role is a strong advantage

Electrical, mechanical and/or hydraulic experience is an advantage

Good problem-solving and fault-finding skills

A practical, hands-on approach

Ability to work independently as well as part of a team

Someone who takes pride in their work and strives to get the job right every time

Good computer skills

Full clean Irish B driving licence

Safe Pass

Good command of the English language

Must have the necessary permits and authorisation to work in Ireland

Must be 25 years or older for company vehicle insurance purposes

Willingness to travel nationwide

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
