Job Description

Dairy Farm Assistant

Woodview Farm Unlimited Company, Tubrid, Oldcastle, Co. Meath

Woodview Farm Unlimited Company is recruiting a Dairy Farm Assistant for its dairy operation in Tubrid, Oldcastle, Co. Meath. This is a full-time, permanent position.

Salary: €36,605 per annum

Hours of Work: 39 hours per week, on a rota basis including weekends

Location of Employment: Tubrid, Oldcastle, Co. Meath

Contract: Full-time, permanent

Job Description

Milking cows twice daily, including pre-milking preparation, teat hygiene, and parlour wash-down

Feeding and caring for the dairy herd, young stock, and calves

Calf rearing, including feeding, bedding, and monitoring health

Assisting during the calving season, including monitoring cows and supporting difficult calvings

Monitoring animal health and welfare and reporting signs of illness, lameness, or mastitis

Administering treatments and vaccinations under supervision

Cleaning and maintaining sheds, cubicles, yards, and the milking parlour

Operating farm machinery, including tractors and scrapers, safely

Assisting with grassland management, fencing, and moving stock between paddocks

Keeping accurate farm records as required

Following all farm health and safety, biosecurity, and animal welfare procedures

Carrying out general farm duties as directed by the farm manager

Requirements

Minimum 2 years' experience working on a dairy farm

Proven experience milking cows in a commercial parlour

Experience with calf rearing and calving

Good knowledge of dairy cattle health and welfare

Ability to operate farm machinery safely

Good standard of spoken English

Physically fit and able to work outdoors in all weather conditions

Willing to work early mornings and weekends on a rota basis

Reliable, punctual, and able to work independently and as part of a team

How to Apply

Send your CV and a short cover note outlining your dairy experience to Karl Hennessy at karlhennessy2026@outlook.com.
