In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Fabricators on behalf of Daniel Whelan Engineering Works Limited, New Road, Borris Co Carlow, R95 XN56. The successful candidate will be responsible for manufacturing, assembling, and repairing metal components and structures from engineering drawings and specifications, ensuring all work is completed accurately, safely, and to a high standard. Applicants should have relevant fabrication qualifications or proven industry experience, with the ability to read technical drawings, use a range of fabrication tools and equipment, and produce high-quality workmanship. Experience with welding would be an advantage. The ideal candidate will be able to work independently as well as part of a team, demonstrate excellent attention to detail, and maintain a commitment to health and safety. 39 hours per week and annual salary of €36,605 - €40,000. Interested applicants please send your CV to info@aureolglobalconnections.com
