- Serving customers at the counter, by phone and through online ordering platforms
- Providing friendly and efficient customer service
- Following all food safety, hygiene and health & safety procedures
- Supporting with stock, deliveries and general store organisation
- Maintaining high standards of cleanliness
- Working alongside the team to keep service running smoothly during busy periods

On the Road

- Delivering customer orders promptly and safely
- Providing friendly and professional customer service at the door
- Checking orders before leaving the store and handling them carefully during delivery

Handling cash and card payments where required

Representing Four Star Pizza professionally while making deliveries

Ensuring your vehicle is roadworthy and appropriately insured for delivery work

What We're Looking For

A positive, can-do attitude and strong team spirit

A full valid driving licence

Access to your own reliable car, motorbike or scooter

Appropriate insurance for delivery work

Good knowledge of Newbridge and the surrounding area

Reliable and punctual

Ability to work well as part of a team and under pressure during busy periods

Flexibility to work evenings, weekends and peak trading periods

Previous hospitality, takeaway, retail or delivery experience is helpful but not essential – full training will be provided

What We Offer

€14.40 per hour

Additional €1.70 for every delivery completed

Part-time permanent positions

Staff meal while on shift

Full training in Four Star Pizza systems, pizza preparation, customer service and food safety

Staff discount

Opportunities for progression

A supportive and energetic team environment

Be Part of the Team

If you enjoy variety, like working with people and want a role that combines working in-store with being out on the road, we would like to hear from you.
