You will be a healthcare assistant working across our Residential Services.

Hours: Full time permanent 40 hours

Salary is €33,530 to €36,004

You will provide a professional, high quality and safe service as a healthcare assistant to people with additional needs - working as part of a team and in consultation with each service user. You will make sure all of the client's needs are met in a completely individual way, and as an ambassador of Resilience's values, you will represent

Best Quality - providing best-in-class care always.

Individuality - applying a person-centered approach to meet each individual's abilities, needs and challenges

Empowerment - helping all our service-users live their very best life and achieve their optimal potential.

What Will Your Responsibilities Be?

The delivery of client care needs and the development, implementation and evaluation of Support Plans;

Ensure that practices within the service comply with Resilience's policies and procedures, to maintain the highest standards;

Liaise with Multi-Disciplinary Teams ('MDTs') when required;

Provide support to colleagues within the team setting;

Act as a mentor for new staff and foster a positive learning environment;

Participate in the development and review of risk assessments and report concerns.

What is Required?

You will have:

FETAC/QQI level 5/Social Care/healthcare assistant qualification or equivalent;

Completed or be willing to complete a Patient Manual Handling course;

Applicant must be legally entitled to work within Ireland and the EU.

A strong sense of empathy, flexibility and a team-oriented work ethic.

Previous experience working with adults/children with physical, sensory and intellectual disabilities

would be an advantage

A Full Drivers Licence is essential.

This is your opportunity to:

Develop and progress your career through full induction, training and ongoing development.

Enjoy excellent rates of pay

Resilience Rewards employee discounts e.g discounted health insurance

Make your mark as part of a service that is changing the future of care in Ireland.
