Job Description

Aureol Global Connections is hiring for Heavy Goods Vehicle (HGV) Mechanic on behalf of N3 CVRT Limited of Unit 4, Damastown Close, Damastown Industrial Park, Dublin, Dublin 15 D15 N8KP. The Ideal candidate will have experience in the following areas: inspecting, servicing, maintaining, and repairing heavy commercial vehicles, trailers, and related equipment, ensuring all vehicles are safe, roadworthy, and compliant with CVRT and road safety requirements. The role involves diagnosing and repairing mechanical, electrical, hydraulic, and pneumatic faults, carrying out preventative maintenance, and repairing braking, suspension, steering, transmission, and engine systems. The successful candidate will be responsible for preparing vehicles and trailers for CVRT testing, conducting safety inspections, using diagnostic equipment to identify faults, responding to breakdowns when required, and maintaining accurate service and maintenance records. Applicants should hold a recognised HCV mechanical qualification or apprenticeship, have strong knowledge of diesel engines, air-brake systems, vehicle diagnostics, and commercial vehicle compliance, and demonstrate excellent attention to detail, problem-solving ability, and a commitment to safe working practices while working independently and as part of a team. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€40,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
