Aircraft Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Ryanair, over our 40 year history has grown to become Europe's largest airline group connecting more guests across more routes than any other European carrier. We are a fast-paced, ambitious and innovative company, offering exciting career opportunities across aviation, technology, operations and support functions. Now is a fantastic time to join as we look to grow to over 800 aircraft and 300m guests within the next 8 years.

Ryanair are currently recruiting for a Aircraft Mechanic to join Europe's Largest Airline Group!

This is a very exciting time to join Ryanair as we look to expand our operation to 800 aircraft and 300 million guests within the next 10 years.

The role will be based in our Dublin Airport hub, the 2nd largest base in the Ryanair Network and the receiving hub for all B737 8200 deliveries while working on a fantastic and fixed '5 on 3 off' roster pattern.

**** SALARY PACKAGE OF up to €64,875 p/a INCLUDING SHIFT ALLOWANCE & PENSION****
