Job Description

SMP Hire Ltd t/a KR Hire are currently seeking a skilled and reliable Mechanic to join our team. The successful candidate will be responsible for maintaining, servicing, diagnosing, and repairing a range of vehicles and plant equipment, ensuring all machinery is kept in safe and efficient working condition.

You will be located at Glen Road, County Monaghan, H18 Y206

Key Responsibilities

Carry out routine servicing and maintenance on vehicles, plant, and machinery

Diagnose mechanical faults and undertake repairs efficiently

Inspect vehicles and equipment to identify wear, damage, or potential issues

Repair and replace faulty components, including engines, transmissions, brakes, hydraulics, and electrical systems

Ensure all work is completed to a high standard and in compliance with safety regulations

Maintain accurate service and repair records

Work efficiently to minimise downtime of vehicles and equipment

Maintain a clean, safe, and organised workshop environment

Communicate effectively with team members and management

Requirements

Previous experience as a Mechanic

Strong knowledge of mechanical systems, diagnostics, and repair techniques

Experience working on commercial vehicles, plant machinery, or similar equipment is desirable

Ability to use diagnostic tools and workshop equipment safely

Strong attention to detail and commitment to quality workmanship

Ability to work independently and as part of a team

Good time management and problem-solving skills

Relevant qualifications or certification preferred but not essential

Full driving licence preferred

What We Offer
