Stone Mason / Skilled Stone & Construction Worker

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job Description

Clarke Groundworks Limited is seeking an experienced Stone Mason / Skilled Stone & Construction Worker.

The successful candidate will primarily carry out stone masonry and associated construction works. Duties will include the preparation, cutting, shaping, laying, fitting and installation of natural and manufactured stone, together with related building, finishing and site works.

The role may also include groundworks and other related construction and site duties associated with the company's projects, as required.

Requirements

Previous practical experience in stone masonry, stonework and construction is required. Applicants should be capable of carrying out skilled stone and masonry work to the required standard.

- **Sector:** construction

Career Level

- Experienced [Non-Managerial]
