Job Description

Celtic Interiors is a fast-growing, high-end bespoke furniture company specialising in luxury kitchen design and custom-built interiors.

Due to continued expansion, we are looking for a reliable, motivated and practical individual to join our team. The role is primarily focused on delivering bespoke furniture to clients' homes, while also assisting with a variety of general workshop duties.

This is an excellent opportunity for someone who enjoys working as part of a team, takes pride in their work and is keen to develop new skills within a busy, high-quality workshop environment.

Key Responsibilities:

Delivering fitted furniture and bespoke cabinetry safely to clients' homes, ready for installation

Assisting the installation team on site when required

Loading, unloading and handling furniture with care

Assisting with general workshop duties

Supporting the spray booth and spray-finishing process

Sanding and preparing components for finishing

Cleaning and maintaining workshop and work areas

Assisting with stock control and keeping materials organised

Operating workshop machinery as required, following appropriate training and safety procedures

Assisting with the assembly of bespoke cabinetry and fitted units when required

Carrying out other general duties to support the smooth running of the workshop

Requirements:

Full, clean driving licence – essential

Previous experience in a workshop, construction, carpentry or woodworking environment is advantageous but not essential

Painting or spray-finishing experience is advantageous but not essential

Good level of physical fitness, as the role involves lifting and handling furniture

Reliable, punctual and willing to learn

A good eye for detail and pride in the quality of your work

The Ideal Candidate:

We are looking for someone who is:

Professional, positive and approachable

A strong team player with good communication skills

Practical and hands-on, with a willingness to get stuck in

Self-motivated and able to use their own initiative

Careful and responsible when handling high-end finished furniture

Committed to maintaining high standards of quality and cleanliness

Eager to learn new skills and develop within the company

You will work closely with an experienced team in a busy but supportive workshop environment, helping to ensure that our bespoke furniture is produced, handled and delivered to the highest possible standard.

If you are reliable, practical, hardworking and looking for a varied role within a growing company, we would love to hear from you.

To apply, please submit your CV for consideration.
