Electrical Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Crimeguard Security Services Limited is seeking an Electrical Technician to join our team.

Main Duties:

- Assist with the installation, operation and maintenance of electrical and electronic systems and equipment.
- Plan and prepare work and testing schedules based on technical specifications and drawings.
- Set up equipment, carry out tests, take readings and record results.
- Check completed installations to ensure they are operating correctly and safely.
- Diagnose electrical and electronic faults and carry out appropriate corrective actions.
- Perform routine maintenance to ensure the efficient operation of systems and equipment.
- Provide technical assistance and advice to clients regarding the operation and servicing of electrical and electronic systems.

Requirements:

- Relevant experience as an Electrical Technician or in a similar technical role.
- Good knowledge of electrical and electronic systems.
- Ability to read and interpret technical drawings and specifications.
- Strong fault-finding and problem-solving skills.
