Solar PV Roofer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Solar PV Roofer

Employer: Ardrar Ltd

Job title: Solar PV Roofer (SOC 5313 – Roofers, Roof Tilers and Slaters)

Contract: Permanent, full-time

Location: Building 6900 Avenue 6000 Cork, Airport Business Park, Cork Eircode: T12CFR6

Hours of work: 39 hours per week

Minimum annual remuneration: €36,605

Vacancies: 1

Ardrar Ltd is hiring a Solar PV Roofer to prepare roofs and mechanically install solar PV mounting systems and modules.

Duties

inspect pitched and flat roofs and confirm they can take the PV mounting system

measure, mark out and prepare the roof area

install, align, fix and seal mounting systems, rails, hooks, anchors and PV modules

carry out associated roofing works, including cutting, fitting, local tile or sheet replacement, weathering and making the roof watertight

work safely at height and follow site and PPE procedures

move and position materials on the roof, keep the site tidy and report roof defects to the supervisor

complete job sheets, progress photos and mechanical installation checklists

This role does not include electrical design, grid connection, electrical testing, commissioning or registered electrical work. Those tasks are carried out by qualified electricians.

Essential requirements

at least 2 years' experience as a roofer and/or mechanical solar PV installer

proven ability to work on pitched and flat roofs and at height

practical knowledge of PV mounting systems and weathering

valid Safe Pass (or recognised equivalent before start)

working at heights and manual handling certification, or willingness to obtain before start

full Category B driving licence

English sufficient for site and safety instructions

Desirable: PV install experience in Ireland or similar conditions; PV mounting-system training.

Terms: Permanent role, 39 hours per week, annual pay of €36,605.

How to Apply: Please send your CV to: Nikki@swyftenergy.ie
