Job Description

Aureol Global Connections is hiring for Fabricators on behalf of Ballybeg Engineering Limited of Ballybeg, Ferns, Enniscorthy, Co. Wexford Y21 H6P4. The ideal candidate will have experience in the following areas: stainless steel and mild steel fabrication, interpreting technical drawings and specifications, measuring, cutting, forming and assembling metal components to precise standards. Applicants should be proficient in TIG/MIG welding, with experience using CNC brake presses and guillotines, and capable of producing high-quality finished work while meeting project deadlines. Previous stainless steel fabrication experience is essential, while pipe welding experience would be advantageous. The successful candidate will demonstrate good attention to detail, a commitment to health and safety, and the ability to work both independently and as part of a team in a fast-paced engineering environment. This is a full-time role of 39.5 hours per week with an annual salary range of €37,074.70-€40,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
