Job Description

Our client, Sean Doyle Windows Limited, based in Roscommon, is currently seeking Joiners for immediate start at their facility in Roscommon.

Key Responsibilities and Duties:

- Workshop-based roll where the successful candidate will be responsible for producing bespoke furniture and joinery items in line with project specifications.
- To work from technical drawings, using both traditional and modern woodworking techniques to manufacture high-quality products that meet high standards.
- To construct the wooden components of buildings, such as stairs, doors, and door and window frames
- Manufacture bespoke joinery and furniture pieces in a factory environment.
- Read and interpret technical drawings and specifications.
- Operate woodworking machinery, hand tools, and power tools safely and effectively.
- Work with a variety of materials including hardwood, softwood, MDF, veneers, and laminates.
- Ensure all finished products meet quality, safety, and design standards.
- Maintain a safe and tidy workshop environment in line with company policies.

Requirements:

- Candidates must have the requisite experience and knowledge to perform all job duties listed above
- Minimum of 3 years previous experience as a Joiner or in a similar role within workshop/manufacturing setting
- Strong knowledge of woodworking machinery, tools, and techniques.
- Ability to work from drawings with precision and attention to detail.
- Good problem-solving skills and ability to work on bespoke/custom projects.

- Commitment to high standards of craftsmanship and health & safety.
- Experience in a large factory with high-quality and high-volume output
- Previous experience in furniture manufacture or joinery fit-out projects.
- Familiarity with CNC machinery and modern woodworking technology.
- A relevant certification is a plus but is not required

Annual Remuneration: €36,605.00; Pay rate €18.05 per hour
