TIG/MIG Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring for TIG/MIG Welders on behalf of Crannog Carpentry Services Limited trading as Crannog Roofing Ireland of Ongenstown, Boyerstown, Navan Co. Meath C15 PC3F. The ideal candidate will have experience in the following areas: MIG and TIG welding, metal fabrication, and working with mild steel, galvanised steel, stainless steel and aluminium. Applicants should be capable of reading and interpreting technical drawings, preparing and positioning materials, setting up welding equipment, and carrying out a variety of welding techniques to a high standard. The role requires experience welding brackets, frames, supports and fabricated components, as well as inspecting weld quality, identifying defects, and carrying out grinding and finishing work where required. The successful candidate will demonstrate attention to detail, a commitment to health and safety procedures, and the ability to maintain a clean, organised workshop while working effectively both independently and as part of a team. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€40,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
