Forklift Mechanic (Murphy Machinery)

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Murphy Machinery is seeking a skilled Forklift Mechanic to join our growing team. The successful candidate will have hands-on experience in forklift maintenance and repair and be comfortable working in a fast-paced, team-oriented environment.

Key Responsibilities:

- Carry out routine, emergency and preventative maintenance on forklifts.
- Interpret manufacturer's technical manuals to perform the necessary maintenance and repairs needed.
- Troubleshoot forklift problems including brake, electrical, and hydraulic systems issues.
- Identify defects/imperfections, potential problems, safety issues and potential malfunctions.
- Able to diagnose and repair mast and attachment components.
- Perform brake servicing and tire/wheel changes.
- Ability to work on LP, gas, and diesel systems.
- Replace broken or defective parts from stock parts and/or order replacement parts for major repairs.

Experiences: Minimum 2-5 years.

Working Hours: 39 hours per week

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

Career Level

- Experienced [Non-Managerial]
