Carpenter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Gloria Design Ltd is seeking motivated individuals to join their construction and fit-out team at 4 Kilbrena Road, Dunboyne, Co. Meath, A86 PX24.

Applications are welcome from candidates seeking to start a career in carpentry/joinery, as well as experienced carpenters holding a minimum of 2 years of practical site experience. The successful candidate will assist with and carry out general carpentry, timber framing, and interior fit-out tasks across our project locations.

Key Duties & Responsibilities:

First & Second Fix Carpentry: Carry out basic to intermediate first fix (structural timber, stud walls, roof framing, floor joists) and second fix carpentry (skirting, architraves, doors, ironmongery).

Site Preparation & Measurement: Accurately measure, cut, shape, and join wood, composite boards, and other materials according to project drawings and site specifications.

Formwork & Structural Works: Assist in erecting timber shuttering, framework, and temporary supports where required.

Tool Operation & Maintenance: Safely operate hand and power tools (saws, drills, planers, nail guns) adhering to proper maintenance and site storage procedures.

Health & Safety Compliance: Maintain a clean and safe workspace, follow all site risk assessments, and comply with Irish Health and Safety Authority (HSA) guidelines at all times.

Collaboration: Work closely under the direction of the Site Foreman/Lead Carpenter, collaborating with other trades on site.

Requirements & Qualifications

Experience: Open to entry-level candidates with a genuine interest/experience in starting a career in carpentry OR carpenters with a minimum of 2 years of relevant on-site carpentry experience.

Safety Certifications: Valid Safe Pass and Manual Handling certificate (or willingness to obtain prior to commencement).

Skills: Strong practical aptitude, good communication, and ability to follow technical instructions/measurements accurately.

Remuneration: €36,605 – €44,000 per annum depending on experience for a standard 39 hour per week.

If you are interested please apply in confidence with your CV to adriana@potentialresources.com
