Industrial Painters

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Multiple Locations :

- Zinc Processors Limited t/a Shannonside Galvanising, Four Elms, Drombanna, Co. Limerick,
- Zinc Processors Limited t/a Shannonside Galvanising, Gotoon, Kilmallock, Co. Limerick,

Our client, Zinc Processors Limited t/a Shannonside Galvanising, based in Drombanna, Co. Limerick, is currently seeking Industrial Painters for immediate start at their two facilities in Co. Limerick.

Key Duties and Responsibilities

- To paint interior & exterior of buildings, other structures and structural metal products
- To prepare and apply industrial-grade coatings to metal products and structures, ensuring long-lasting corrosion protection before and after galvanising process
- To prepare surfaces for painting by cleaning, sanding, blasting, and priming as needed
- To use both standard latex-based paints and specialised paints for decorative and protective effect
- To apply industrial coatings (e.g., epoxy, zinc-rich primers, polyurethane) using airless or conventional spray equipment
- To ensure even coverage and correct thickness of coatings in accordance with customer and industry specifications
- To use brushes, paint rollers and paint sprayers for different applications
- To operate and maintain painting equipment and spray booths

Key Requirements – Skills & Experience

- Minimum 2 years' experience in industrial painting or similar role, ideally within a galvanizing or steel fabrication environment.
- A formal qualification is not required, but relevant certifications are always a plus
- Knowledge of industrial paint types, surface preparation techniques, and application methods.

- Ability to read and interpret job specifications and technical drawings.
- Strong attention to detail and commitment to quality.
- Understanding of health, safety, and environmental regulations.
- Essential knowledge includes paint types
- Essential skills include cleaning painting equipment, disposing of hazardous & non-hazardous waste, and following health & safety procedures in construction and at heights
- Further essential skills include inspection of paintwork, interpretation of 2D & 3D plans, and preparation of surfaces for painting
- Candidates must be competent to protect surfaces during construction work, remove paint, and sand between coats
- Candidates must have experience in snapping chalk line, using measurement instruments, and working safely with chemicals
- Experience painting structures & metal products is a plus

Annual remuneration: €36,605.00; Pay rate €18.05 per hour

Work Locations – Zinc Processors Limited t/a Shannonside Galvanising at:

- Four Elms, Drombanna, Co. Limerick
