Computer Numerical Control Operatives

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client P & L Carpentry Limited, based in Trim, Co. Meath, is currently seeking Computer Numerical Control Operatives for immediate start for their facility in Trim, Co. Meath.

Duties & Responsibilities:

- Responsibility for setting up, operating, and maintaining computer numerical control (CNC) machinery used in the manufacture of cardboard/packaging boxes.
- Ensuring production runs efficiently, safely, and to the highest quality standards while meeting customer specifications and deadlines.
- Set up and operate CNC cutting, routing, and creasing machines used in box production.
- Interpret technical drawings, CAD files, and job specifications.
- Input, adjust, and monitor machine programs to ensure accuracy and efficiency.
- Carry out tool changes, calibrations, and minor machine adjustments as required.
- Perform quality checks on finished products to ensure compliance with specifications.
- Identify and resolve basic mechanical or programming issues.
- Maintain accurate production records and documentation.
- Ensure efficient material usage and minimise waste.
- Follow health and safety procedures at all times.
- Maintain a clean and organised work area in line with 5S standards.
- Work collaboratively with design, maintenance, and production teams to meet targets.

Requirements:

- Minimum of 3 years' previous experience operating CNC machinery (within packaging, woodworking, or manufacturing).
- Relevant CNC qualification is a plus but is not required
- Ability to read and interpret technical drawings.

- Basic understanding of CNC programming and G-code.
- Strong attention to detail and quality control.
- Good problem-solving skills.
- Ability to work independently and as part of a team.
- Good numeracy and literacy skills.
- Experience in cardboard/box manufacturing.
- Knowledge of CAD software.
- Mechanical aptitude and basic maintenance skills.
- Ability to consult technical resources, to ensure equipment availability and to monitor automated machines
- Competency to operate precision measuring equipment, perform machine maintenance and perform test runs
- Removal of processed workpieces, set up the machine controller and supply the machine with appropriate tools
- Experience in programming CNC controllers, reading standard blueprints and removing inadequate work pieces
- Experience in using CAM software, troubleshooting and using automatic programming

Annual remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: P & L Carpentry Limited, 18 Oaktree Business Park, Trim, Co. Meath, C15 XA03

Number of hours work each week: 39
