## CNC Operator

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Kilsaran Paving & Walling require multiple CNC Operators for its location at Piercetown, Dunboyne, Meath, Ireland, A86 W820. Sufficient relevant experience required, the salary range starts from €36,605 (18.05/hr) based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

We are currently looking for experienced CNC Operator for our Paving Production Facilities in Dunboyne, Co.Meath. The successful candidate will have full responsibility of routine maintenance and servicing of plant equipment and machinery in an efficient and safety driven manner

CNC Operator sets up and operates computerized machines that precisely cut and shape metal or plastic parts by loading materials and tools, running pre-programmed instructions, and continuously monitoring the machine to ensure smooth operation. The operator inspects finished parts with measuring tools to verify exact specifications, performs routine maintenance like cleaning and tool changes, and troubleshoots any operational issues while following strict safety protocols and maintaining production records.

High school diploma or equivalent is typically required, with technical or vocational training in CNC operations, machining, or manufacturing being highly preferred. Ability to read and interpret technical drawings, blueprints, and CAD designs. thorough knowledge of workplace safety regulations and machine-specific safety protocols; ability to properly use personal protective equipment; understanding of lockout/tagout procedures; and commitment to maintaining a clean and organized work environment. Strong attention to detail and focus; reliability and punctuality; ability to work independently with minimal supervision.
