Operations Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Lead end-to-end operational strategy by aligning business objectives, resource planning, and process optimization initiatives to maximize organizational performance.

Develop operational frameworks, standard operating procedures, and governance models to improve efficiency, scalability, and service excellence across business functions.

Manage cross-functional projects by coordinating stakeholders, budgets, timelines, and resources to ensure successful delivery of strategic initiatives.

Monitor operational KPIs, performance dashboards, and business metrics to identify trends, measure productivity, and drive continuous improvement.

Implement Lean, Six Sigma, and process improvement methodologies to eliminate inefficiencies, reduce operational costs, and enhance workflow effectiveness.

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles
