Job Description

About the Role

Our client is seeking a reliable, hardworking and practical Truck Driver & Shed Installer. The successful candidate will be responsible for delivering and installing steel sheds, garages and other outdoor structures at customers' properties.

This is a hands-on role combining professional driving with physical installation work. The ideal candidate will take pride in their work, deliver excellent customer service and work effectively as part of a team.

Key Responsibilities

Safely operate and drive a truck to deliver sheds and building materials to customer locations.

Load, secure, transport and unload materials safely and efficiently.

Install and assemble steel sheds, garages and other outdoor structures on site.

Use hand tools and power tools to complete installations to a high standard.

Work as part of an installation team to ensure projects are completed safely and on schedule.

Follow delivery schedules, site instructions and health and safety procedures.

Ensure materials, tools and equipment are handled and maintained properly.

Communicate professionally with customers and colleagues.

Keep the vehicle, tools and work areas clean, tidy and organised.

Complete relevant delivery paperwork and report any issues encountered on site.

Essential Requirements

Full, valid Category C driving licence is essential.

Previous experience in truck driving, construction, shed installation or a similar hands-on role is an advantage.

Good practical skills and confidence using hand and power tools.

Physically fit and capable of manual handling and outdoor work.

Strong awareness of road safety and workplace health and safety.

Reliable, punctual and hardworking, with a positive attitude.

Good communication skills and the ability to work well within a team.

Willingness to travel to customer sites and work outdoors in varying weather conditions.
