Cabinet Maker/Installer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job Description

Gallagher Kitchens is seeking a Cabinet Maker to join our manufacturing and installation team.

The successful candidate will be involved in the manufacture, assembly and installation of fitted kitchens and cabinetry, working both in our manufacturing facility and at residential project sites.

Main Responsibilities

Manufacture and assemble kitchen cabinets and fitted furniture.

Read and interpret technical drawings, measurements and specifications.

Measure, cut, shape and assemble timber and manufactured board materials.

Operate woodworking machinery, hand tools and power tools.

Install and fit kitchen cabinetry on site as required.

Carry out finishing work, adjustments and quality checks.

Maintain high standards of workmanship and workplace safety.

Requirements

Previous experience in cabinet making, joinery or fitted furniture manufacturing.

Ability to read and understand technical drawings.

Experience using woodworking machinery and tools.

Good attention to detail and practical problem-solving skills.

Ability to work independently and as part of a team.

A formal trade qualification is not essential where the applicant has suitable relevant experience and skills.

- **Sector:** manufacturing
