Mechanical Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Mechanical Fitters on behalf of Rubble Recycling Limited, Killarney Road, Castleisland, Co Kerry, V92KD29. The ideal candidate will be an experienced Mechanical Fitter with a background in the installation, maintenance, repair and servicing of mechanical equipment and machinery. The successful candidate will be responsible for fault finding, preventative maintenance, equipment assembly, component replacement and general mechanical fitting duties, ensuring all work is completed safely and to a high standard. The role requires the ability to read technical drawings, use a range of hand and power tools, and carry out repairs efficiently in a busy working environment. Candidates should have experience operating excavators and other plant machinery, a good understanding of health and safety procedures, problem-solving skills, and the ability to work independently or as part of a team. A relevant mechanical qualification and previous fitting experience is essential. This is a full time position, 39 hours per week and an annually salary range of €36,605-€46,000. Interested applicants apply here: info@aureolglobalconnections.com
